Letter from our Executive Director

Dear Friends,

On behalf of the Community Foundation of Kankakee River Valley's Board of Directors, committees and staff, I am pleased to present to you our Annual Report for the fiscal year ending December 31, 2015.

In this issue you will see growth in the number of funds held at the Community Foundation as well as growth in gifts received to our designated funds as we focus on building endowments for our area non-profits.

It is an honor to lead our Community Foundation. Your gifts are working to change the lives of our community members today and they are being invested to continue to work for our communities in the future. For Good. Forever. Thank you for your continued support and I look forward to continuing the good works of our Community Foundation.

Sincerely,

Nicole Smolkovich

2015 Communityworks and Rosie Fund Grant Award Winners
Mission
The COMMUNITY FOUNDATION of Kankakee River Valley is a vehicle for charitable giving that builds over time, substantial endowment funds for the community. We seek to bring together individuals and organizations to identify and understand community issues and grant making opportunities.

Vision
Enhanced quality of life throughout Kankakee and Iroquois Counties through leadership, stewardship, and grant-making.

We fulfill our mission by:
• Creating and supporting vital and caring communities through philanthropy.
• Building and preserving funds of many individuals and institutions.
• Awarding grants to non-profit organizations that serve members of our community.
• Convening concerned individuals to shape flexible responses to changing needs of our community.

Types of Funds

**Donor Advised Funds.** You can have ongoing involvement in the use of your gift. You work with our professional program staff, identifying ways to use dollars from the Donor Advised Fund you establish to address the issues and needs you care about most. Your recommendations are submitted to our local board for approval; we then distribute grant dollars.

**Unrestricted Funds.** Your gift can address ever-changing community needs—including future needs that often cannot be anticipated at the time your gift is made. We evaluate all aspects of community well-being—arts and culture, economic development, education, environment, health and human services, neighborhood revitalization, and more. The flexibility of your unrestricted gift enables your community foundation’s program experts to respond to the community’s most pressing needs, today and tomorrow.

**Field of Interest Funds.** You can target your gift to address needs in an important area of community life, arts, aging, or at-risk youth. You identify your personal interest area when making your gift; our board awards grants to community organizations and programs that are making a difference in the area you select.

**Scholarships.** You can invest your gift in our community’s future and show students you care, all with the guidance and personal services of your community foundation. You determine the criteria students must meet to receive the Scholarship you establish. With your assistance, students achieve their academic and career-oriented goals—from preschool to postgraduate work.

**Designated Funds.** You can direct your gift to a specific nonprofit organization or purpose. Help provide ongoing funding for a senior center, museum, or virtually any nonprofit charitable organization. Nonprofit organizations can use a Designated Fund through the community foundation to build their endowment and enhance their ability to accept large and complex gifts.

**Supporting Organizations.** You can use your gift to establish an excellent alternative to a private foundation—with only a fraction of the administrative responsibilities. You select some of the board members, maintain personal involvement, and support the causes and organizations you care about while enjoying the favorable tax treatment of a public charity. Leave investment management, startup costs, grant administration, and reporting to your community foundation.
Giving Opportunities

**Outright Gift.** You can make a gift of cash, stocks, bonds, real estate, or other assets to your community foundation. Your charitable gift qualifies for tax advantage under federal law.

**Bequest by Will.** You can designate a gift or portion of your estate to your community foundation and, in some cases, receive a substantial reduction in federal gift and estate taxes.

**Charitable Gift Annuity.** You can make a gift of cash or property to your community foundation now, get immediate tax benefit and ensure that you or a loved one receive fixed quarterly or annual income payments for life.

**Charitable Remainder Trust.** You can place cash or property in a trust that pays annual income to you (or another named beneficiary) for life. After your death, the remainder of the trust transfers to your community foundation and is placed into a charitable fund you have selected. You receive income tax benefits the year you establish your trust.

**Charitable Lead Trust.** You can place cash or property into a trust that pays a fixed amount to your community foundation for the number of years you select. Once this period ends, the assets held by the trust are transferred to the beneficiaries you name. In some cases, you receive a substantial reduction in federal gift and estate taxes.

**Beneficiary Designation.** You can make the community foundation a full or partial beneficiary of your life insurance policy or retirement account. It’s an easy way to make a legacy gift without modifying your estate plan. Upon your death, your gift is placed into the charitable fund of your choosing.
